

## PARAMANATHAR SUNTHARANADARAJAN

Software Engineer

### PROFILE

I studied at **Sabaragamuwa University of Sri Lanka** for the **B.Sc. (Special) in Computing & Information Systems**. I would like to take challenges and learn from them. My Strengths are self-confidence, self-motivation, creativity and analytical thinking. I would like to learn more by collaborating with industries to get more insight into the industry and experience how software engineering practices used to solve problems.
